Kickoff Release 11/11/2021

WHEN: Thursday, November 11th @ 2:00 pm

The Salvation Army is kicking off our 2021 Christmas season by asking donors from the community to assist families in need for the holidays.

Of the over 25,000 individuals assisted in 2020, over 2,000 received assistance from our Christmas programs. The Angel Tree program provides clothing and toys ages 0 to 14. For children ages 15 to 17, we provide gift cards. These tags are now out in the community to be picked. A list of locations can be found at www.safortwayne.org.

Funds raised at Christmas are used year-round to serve those in our community who are struggling. This includes, food pantry, utility and rent assistance, clothing, transportation, case management, NICU families, youth programs and more. Through these programs we served over 25,000 individuals last year.

Volunteering to ring can change lives. Two hours of your time can feed a family for a week. And deciding when and where you want to ring has never been easier. Individuals can sign up to ring a bell at registertoring.com. Here you can pick the location, date and timeframe you want to volunteer.

You can also ring a bell from home. Online kettles are now available at onlineredkettle.com. With a quick signup you can tell your friends, family and coworkers to go to your kettle to donate. These sites can be set up for individuals or companies. Don't have cash? Scan the QR code on any kettle sign and make a quick donation.

Our 2021 Christmas campaign includes the red kettles, online kettles and mailed donations. The combined goal is \$???,000. Meeting this goal will ensure we can provide hope to those less fortunate in our community for 2021.
